## **Personal Feng Shui Consultations**

Dr. Milanovich conducts Feng Shui Analyses on homes, businesses, land sites, and apartments, worldwide. Over the years, she has completed hundreds of consultations for clients and has received excellent results. Unlike other Feng Shui Consultants who only direct the client where to place remedies to balance and repair the Qi, Norma writes lengthy, detailed reports for all the customers. The reports detail:

### **Feng Shui Reports**

- Personal Bazi Data and Gua Analysis**
- A person's Lucky and Unlucky Directions**
- Lonely Pillow Directions**
- Financial Directions and Tips**
- Sitting and Facing Directions**

These reports empower clients with an understanding of Feng Shui while detailing their living and working environments. They explain where the main areas reside in their homes and businesses that cause struggle and hardship. They also support the client's goals for improving romance, partnerships, health, financial abundance, new jobs, careers, successes, and customer/friendship support. Included also are the remedies that help balance Qi, increase success, and repair obvious problems that cause harm in the home or business.
